4 THE FUTURE FOUNDATION

MISSION STATEMENT

The Thompson Brothers 4 The Future Foundation inspires youth by encouraging the benefits of an active and healthy lifestyle while promoting the attributes of the student-athlete.

Our focus is on creating programs for indigenous and underserved communities where lacrosse meets culture, to create community-based opportunities that provide a pathway for the next generation to achieve their dreams.

4 THE FUTURE FOUNDATION

"No matter how tall or fast or strong you are, there is a place for you in the game of Lacrosse" - **Miles**

"I grew up respecting the game, and in life to respect all and everything" - **Hiana**

"I want to share my culture and my heritage and the origin and values that go with playing this game" - **Jeremy**

"Building a box or backboards to give to different communities can bring a whole community together" - **Lyle**

TEAM UP WITH THE THOMPSONS

4 The Future Foundation is where sports, respect and culture meet on and off the field.

We are now seeking forward-thinking sponsors and donors to join us in creating and seizing a powerful opportunity: to develop and empower the next generation of lacrosse student-athletes who are informed about the game's cultural roots, inspired by core values, and motivated to promote healthy minds and bodies in their own communities and beyond.

Funding efforts will also include equipment, apparel, native coaches and referees, and guest speakers. Our goal is to meet the needs of underserved communities, both native and non-native, where our partnership and investments can have the largest impact.
